Nothing can be more perfect than this edition, whether we consider the accuracy of the text or the singular elegance of the typography. The London edition of Dickens's Novels cannot compare with it in mechanical execution, although the London edition costs twice as much. The American edition is afforded at seventy-five cents a volume, and can fairly challenge comparison with any edition of any modern novelist in all the requisites of fine printing, binding, and engraving. *Boston Transcript.*

The characters of this wonderful author have become fixed as types of life in the public mind and cannot be forgotten. Each successive generation as it comes upon the stage will take up these books and receive their impress to hold it through life . . . . . The volumes are of the right size for hand-books, the paper is heavy and tinted, the print excellent, the binding in English cambric, and the illustrations are not to be spoken of as mere mechanical efforts. These designs were made by Gilbert and Darley, the great artists of England and America, and the reputation of these men is established beyond question. This splendid edition of Dickens ought to be in every family library. *Union and Advertiser.*

One of the chief sources of Dickens's power is his wonderful skill in depicting such varieties of character. Each novel is different from all the rest, and in every novel each character is distinct from all the others, and yet thoroughly consistent. . . . . The Household Edition, as we have already remarked, is an excellent one — the best ever published in this country. It is of a convenient size, printed on nice fine paper, and from good clear type, and neatly bound in vellum cloth. *New Hampshire Patriot.*

This beautiful edition of Dickens's Works we are glad to learn is rapidly increasing in popularity; for elegance and cheapness it surpasses anything of the kind that has been issued. The type and paper are beautiful, the binding neat and appropriate, and the illustrations, which are engraved expressly for the work by Darley and Gilbert, are of course artistic and graphic. Altogether the volumes of this edition are good sensible looking specimens of book-making, in which taste and elegance are combined. *Boston Commercial Bulletin.*

MILMAN'S LATIN CHRISTIANITY. — History of Latin Christianity, including that of the Popes to the pontificate of Nicholas V. By HENRY HART MILMAN, D. D., Dean of St. Paul's. 8 vols., crown octavo.

In beauty and brilliancy of style he excels Hallam, approaches Gibbon, and is only surpassed by the unrivalled Macaulay. The English edition of this elaborate work appeared in 1854, in six volumes, and soon passed to a second edition. We have here the American reprint, in eight volumes. It is from the famous Riverside Press of Cambridge, and not only equals but surpasses the London edition both in beauty and elegance of typography, and in convenience of form. *Mercersburg Review.*

The scholar will not fail to appreciate the earnest love of truth and unsparing labor which appears on every page; and the student of human nature will find them a treasury of the strangest facts to which man's contradictory nature ever gave rise. The work will serve as a most lasting monument of the ability, sagacity, learning, and industry of the venerable Dean of St. Paul's. *N. Y. Evening Post.*

The style is remarkable. It is plain, indeed, but it is the most elegant kind of plainness. It is another proof that Houghton, of the Riverside Press at Cambridge, is determined to equal English work: and he does it. All honor, too, to Sheldon and Company of this city for venturing to get out a book of so valuable a character in such pleasing style. We trust that an extensive and profitable sale will encourage them to subsequent efforts in the same direction. *Church Journal, N. Y.*

The entire work is characterized by profound learning, breadth of view, truth of detail, impartiality of judgment, and force of imagination. Throughout the divine origin of Christianity is recognized, while the wrong doing of its professed adherents is fearlessly chronicled.

Messrs. Sheldon and Company's reprint from the English is of extreme finish and beauty, nothing being omitted in the mechanical department which the most fastidious taste can demand. We heartily hope that they will be abundantly remunerated for their outlay, not only of money, but of labor and care. *Boston Journal.*

We admire the breadth and catholicity of his views, and the entire absence of a partisan spirit. *Cong. Herald, Chicago.*

This American reprint, which is as attractive, and more convenient than the last London edition, equals it in typography, and is on sale at less than half the foreign price. *Philadelphia Press.*

MARSH'S WEDGWOOD'S ETYMOLOGY. — A Dictionary of English Etymology, by HENSLEIGH WEDGWOOD, M. A. With Notes and Additions by the Hon. GEORGE P. MARSH. Imperial octavo. Vol. I. (A — D). (Ready April 1st.)

Price, on tinted paper, laid, *brown cloth*.....$3.00

Mr. Marsh says in his Preface —

"In the present edition the text is printed entire, with no change but the correction of perhaps half a dozen errors of the press, and the transfer of the articles composing the Appendix to their proper places in the alphabet. My additions consist of notes upon a considerable number of words, a list of which is given at the end of this Preface."

Mr. Wedgwood says —

"With respect to the probable length to which the present work may be expected to run, many circumstances tend to help us more quickly over the ground as we advance, and from such an estimate as I am able to make, I hope to complete it in two more volumes.

MACAULAY'S ESSAYS. — The Critical, Historical, and Miscellaneous Essays of the Right Hon. THOMAS BABINGTON MACAULAY, with an Introduction and Biographical Sketch of the Author, by E. P. WHIPPLE, and containing a new steel plate Likeness of Macaulay, and a Complete Index. 6 vols., crown octavo.

As a model, no writer may be more safely sought, and none will be more likely to make only good impressions upon the plastic minds of young aspirants in the fields of literature. We are glad that the publishers have chosen to present these works in such a dress to the American public, and that, in addition to the paper and type which are so splendid, they have enriched the edition with such an introduction, sketches, index, and appendix as make it more valuable, and indeed incomparably more so, than any other edition on either side of the Atlantic. *New York Observer.*

It is said that Lord Macaulay was never satisfied with any American reprint of his masterly Essays. Before his death he carefully revised and corrected his miscellaneous writings, and this revised edition has been reproduced here for the first time by Sheldon & Co. of New York. The collection is complete in six beautiful volumes, on tinted paper, and with the admirable typography of the Riverside Press. *Springfield Republican.*

We heartily welcome this fine edition of Macaulay's Essays. They are well wortby of thus being preserved by the printer. Picturesque, brilliant, and polished, his historic contributions to British periodicals have all the interest of the great work by which he is best known to the American public, and more truthfulness in their presentation of facts. They are monuments of study and research, and models of condensation, unity, and completeness. *Boston Journal.*

This new edition is reprinted from the latest and best London edition, in the most careful and elegant manner, and contains the Author's last revisions and corrections. The Supplemental Notes, published at first in an octavo volume, have been incorporated with the original work, partly at the foot of the pages, partly at the close of each chapter.

Hallam may be briefly described as learned, acute, and cautious; candid in the discussion of controverted points, sober in judgment, moderate in his opinions, modest in the estimate of his own labors, and the expression of his own views, and luminous in statement. To combine these various qualities in one consistent and balanced character, it was only necessary that he should have a firm grasp of his subject; and this additional merit will be readily conceded to him. However various may be the topics which he has to discuss, and into whatever paths his inquiries may lead, he is always the master of his subject, and holds it steadily in view. *North American Review.*

Mr. Hallam is better qualified than any other writer of our time for the office which he has undertaken. He has great industry and great acuteness. His knowledge is extensive, various, and profound. His mind is equally distinguished by the amplitude of its grasp, and by the delicacy of its tact. His speculations have none of that vagueness which is the common fault of political philosophy. On the contrary, they are strikingly practical. They teach us not only the general rule, but the mode of applying it in particular cases. . . . On a general survey we do not scruple to pronounce the "Constitutional History" the most impartial book that we ever read. *Macaulay.*

The publication of a new edition of Mr. Hallam's Works, in a style of much typographical beauty, and at a price which places them within the means of every one, is a service of too much importance to the student of history not to be cordially recognized by all who are interested in historical studies. Of the merits of his works it is almost an act of supererogation to say anything. Learned, acute, and impartial, he holds no inferior rank among English historians, and it is scarcely probable that his writings will ever be superseded. . . . . His writings are immense treasure-houses of information on every topic investigated by him. *Boston Courier.*

With the author's last "finishing touches," these three works are now to be given to the American public, in an edition far superior, in all respects, to any yet published in England. Hallam, one of the fortunate few whose writings have become standard during their author's lifetime, would have rejoiced, we know, over such an American edition as this. *Philadelphia Press.*

DISRAELI'S CURIOSITIES OF LITERATURE.—The Curiosities of Literature. By ISAAC DISRAELI. With a View of the Life of the Author, by his Son. 4 vols., crown 8vo.

Price, on tinted paper, *cloth*.....$5.00
" " " " *half calf, extra*...10.00

The most beautiful edition ever published, and has given a new enthusiasm for one of the most remarkable works ever written. The varied learning and research of the author are proverbial, and the unique title conveys a good idea of the value and interest of the book.

We fear not to say, that no man who has perused these volumes can fail to be a great, a very great deal more knowing than when he began; and that the fault must be entirely his own if he be not a great deal wiser. *Blackwood's Magazine.*

Mr. Disraeli, from whose works the best informed reader may learn much. *Robert Southey.*

That most entertaining and searching writer, Disraeli, whose works in general I have read oftener than perhaps those of any other English writer whatever. *Lord Byron.*

Mr. Disraeli is, and deserves to be, a popular writer; his sentiments are liberal; his topics are various; his illustrations display command of reading, and his style is lively and poignant. Few writers instruct so amusingly, or amuse so instructively. *London Monthly Review.*

BURTON'S ANATOMY OF MELANCHOLY.—The Anatomy of Melancholy; what it is, with all the Kinds, Causes, Symptoms, Prognostics, and several Cures of it. In three partitions, with their several Sections, Members, and Subsections, Philosophically, Medi-

cally, Historically opened and cut up. By DEMOCRITUS Junior. With a Satirical Preface, conducing to the following Discourse. A new edition, corrected and enriched by translations of the numerous classical extracts. By DEMOCRITUS Minor. 3 vols., crown 8vo.

Price, on tinted paper..... $4.00
" " " " *half calf, extra*..... 8.00
" " " " *full calf*..... 12.00

Burton's "Anatomy of Melancholy" is the most amusing and instructive medley of quotations and classical anecdotes I ever perused. If the reader has patience to go through his volumes, he will he more improved for literary conversation than hy the perusal of any twenty other works with which I am acquainted. *Lord Byron.*

Burton's "Anatomy of Melancholy," he [Johnson] said, was the only hook that ever took him out of bed two hours sooner than he wished to rise. *Boswell's Life of Johnson.*

BURTON'S ANATOMY OF MELANCHOLY.—Large paper, subscription edition. 3 vols., royal octavo. Seventy-five copies printed.

Price, on tinted paper, *elegantly bound in half Roxburgh*.....$12.00

The publishers claim for this work the preëminence over any yet issued from the American press, in accuracy and beauty of typography, quality of paper, unique binding, and in all the minor points of perfect book-making. The greatest care has been taken that every page and every line shall be as nearly faultless as is within the power of human skill; and this sumptuous edition of only seventy-five copies, is presented to the public with pleasure and the confident assurance that it will delight all beholders or purchasers.

WALTON'S LIVES. — The Lives of Dr. John Donne, Sir Henry Wotton, Richard Hooker, George Herbert, and Dr. Robert Sanderson. By IZAAK WALTON; with some Account of the Author and his Writings. By THOMAS ZOUCH, D. D., F. L. S., Prebendary of Durham. New edition, with Illustrated Notes. 1 vol., crown octavo.

Price, on tinted paper, *muslin* $1.25
" " " " *half calf* 2.50
" " " " *full calf* 3.00

Walton introduces in these pages the lives of persons whose religious sentiments widely differ from his own, but in his narrative there is a singular freedom from harshness and illiberality, and the spirit of moderation and candor shows that his "Lives" are the sincere memorials of his grateful and tender regard. These Lives consist of those of Dr. John Donne, Sir Henry Wotton, Mr. Richard Hooker, Mr. George Herbert, and Dr. Robert Sanderson, with an Introductory Memoir of Isaac Walton, by Thomas Zouch, D. D. The volume is exquisitely printed. *Register.*

This is a beautiful edition of a most attractive book — a book written by one of the purest and gentlest of men — penetrated with all the Christian beatitudes — and commended by the literary charm which has given such enduring popularity to "The Complete Angler." It is a good sign that our publishers venture to put forth such books, in so handsome a garb. *Boston Courier.*

This book is a real treasure, a rare combination of attractions, making it a most desirable volume, which the man of feeling will highly prize. *New York Observer.*

A very elegant edition of one of the most delightful biographical works in the language. These Lives would alone be sufficient to keep the memory of their author alive, even if he had not written "The Complete Angler." The sweetness, simplicity, and beauty of the sentiments, the quaint felicities of the style, and the subtle interpenetration of the character of the biographer with the characters of those he delineates, give the work a peculiar interest and charm. *Transcript.*

WORKS OF MICHAEL DE MONTAIGNE. — Comprising his Essays, Journey into Italy, and Letters, with Notes from all the Commentators, Biographical and Bibliographical Notices, &c. By W. HAZLITT. A New and carefully revised Edition. Edited by O. W. WIGHT. 4 vols.

Price, *cloth* $6.00
" *half calf, or morocco* 10.00

This edition of Montaigne's Works is a reproduction of Mr. William Hazlitt's edition, with changes in form, with corrections, and with important additions.

The abridgment of Mr. St. John's recent Biography will be found to contain all the facts concerning the Essayist recently brought to light in France by Dr. Payen, M. Grün, and others. We beg to recommend its perusal as a preparation for the Essays.

The Indices have been prepared with unusual care. The typography speaks for itself. We hope the lovers of the wise old Gascon essayist will find in this edition all they could desire, and to them we cordially dedicate it.

THE WORKS OF FRANCIS BACON. — The Complete Works of FRANCIS BACON, in 15 vols., crown octavo, reprinted from the recent London edition. Edited by JAMES SPEDDING, M. A., of Trinity College; ROBERT LESLIE ELLIS, M. A., late Fellow of Trinity College, and DOUGLAS DENON HEATH, Barrister-at-Law, late Fellow of Trinity College, Cambridge.

Bacon's Works are published exclusively by subscription, and agents have been appointed in nearly every city and large town in the country. When, however, an agent is not accessible, subscriptions may be sent directly to the publishers, and persons thus subscribing can receive their volumes, each month, as issued, by mail, postage prepaid, and volumes thus sent will be protected from injury by strong wrappers. A prospectus, with specimen pages, will be sent to any address on application.

Price per vol., *cloth, trimmed edges* $1.50
" " " *uncut, English style* 1.50
" " " *library style* 2.00
" " " *half calf, gilt, or antique* 2.50

The American publishers have produced a book — indicative of what the entire series will be — in all the accessories at their command faultlessly beautiful: and those who would gladly have a copy of Bacon need look no farther for an edition which will at once adorn the library, and furnish the reader with everything that remains of the Author, or is essential to the illustration of his Works. *North American Review.*

The present edition is incomparably the best that has ever been issued. In completeness, in accuracy, in richness of editorial illustration, it leaves nothing to be desired. Of Bacon's Latin Works it gives both the original and a translation, and the arrangement is the perfection of convenience, as the form is the perfection of beauty, for a standard classic, which is meant not only to be looked at, but to be read. *Richard Grant White, in The Daily World, New York.*

CARLYLE'S ESSAYS, Critical and Miscellaneous. By THOMAS CARLYLE. 4 vols., crown 8vo.

Price per vol., *cloth, uncut* $1.25
" " " *library style* 1.50
" " " *half calf, gilt, or antique* 2.25

This edition has been revised and annotated by the Author, and printed on the finest tinted paper, and is fully equal to any specimen of book-making yet produced in this country. It has a copious Index, and a new Portrait engraved expressly for this edition from a Miniature of recent date.

There are some thirty articles in this edition, which are included in no other, English or American. . . . . In respect to mechanical execution it is one of the triumphs of the American press, and proves that books can be printed in the United States rivalling the finest editions of English publishers. . . . . No collection of books, whether public or private, can be complete without his writings; and of all his writings this collection of his Essays is the most valuable; and of all editions of his Essays, this is indisputably the best. *Boston Transcript.*

THE COMPLETE WORKS OF WILLIAM SHAKSPEARE, with Glossarial and other Notes, by KNIGHT, DYCE, DOUCE, COLLIER, HALLIWELL, HUNTER, and RICHARDSON. 8 vols., crown 8vo.

Price, *cloth* $10.00
" *half calf, extra* 20.00

The peculiar advantages possessed by this edition, which recommend it in preference to most others, to those who are collecting libraries, are the following:— a moderate number of volumes, convenience of size, together with a clear and legible type. It is beautifully printed in the same elegant style as the other Riverside Editions.

MAY'S CONSTITUTIONAL HISTORY. — The Constitutional History of England, since the Accession of George III., 1760–1860. By THOMAS ERSKINE MAY, C. B. Vol. I. crown 8vo.

Price, *cloth* $1.25

This work is substantially a continuation of Hallam's great work, tracing the Progress and Development of the British Constitution during an Entire Century. It gives evidence of research and impartiality, and is highly commended by the London critics.

Mr. May has performed his task with signal ability and sueeess. . . . His volume everywhere gives evidence of the depth, as well as of the extent, of his information. . . . The work will take its place among our standard histories, and will form an inseparable continuation of Mr. Hallam's first two works. *North American Review.*

This volume is elegantly printed on laid paper, tinted, and uniform with our Library Editions of Standard Works.

THE WHITE HILLS. — The White Hills, their Legends, Landscape, and Poetry. By Rev. Thomas Starr King. With Sixty Illustrations, engraved by Andrew, from drawings by Wheelock. Small quarto.

Price, on tinted paper, *cloth* $4.50

" " " " *morocco, antique* 7.00
" " " " " " *extra gilt* 7.50

The attention of all lovers of mountain scenery is requested to this work, as one in every respect the most beautiful of its kind ever issued. Mr. King's name is so intimately connected with the White Mountains by his inimitable descriptions of their scenery, that everything from his pen in relation to them is eagerly sought.

The work is elegantly printed on tinted paper, in the most exquisite style. Author and artist have united to furnish a book which is all that could be desired.

All intending to visit the Mountains should provide themselves with this work, which will enable them to enjoy their visit in prospect, and which, after their return, will aid them in bringing vividly to mind the unequalled grandeur and beauty of the scenery.

THE WHITE HILLS, their Legends, Landscape, and Poetry. With Sixty Illustrations, engraved by Andrew, from drawings by Wheelock. Cheap edition. 12mo.

LAMB'S COMPLETE WORKS. — The Complete Works of CHARLES LAMB. With Portrait. 4 vols., 12mo., tinted paper.

Price, *muslin* $5.00
" *half calf* 10.00
" *full calf* 14.00

This new edition of Lamb is reprinted from the latest London edition edited by Talfourd, contains his Life, Letters, and Final Memorials, his Essays of Elia, Rosamund Gray, with other Essays and Poems, being the best and most complete edition issued.

As an essayist, Charles Lamb is entitled to a place beside Rabelais, Montaigne, Sir Thomas Browne, Steele, and Addison. He has refined wit, exquisite humor, a genuine and cordial vein of pleasantry, a heart-touching pathos. His fancy as an essayist is distinguished by great delicacy and tenderness; and even his conceits are imbued with humor, feeling, and passion.

ESSAYS OF ELIA. — The Essays of Elia. By CHARLES LAMB. New edition, on tinted paper.

Price, on large paper, hot pressed, for Holiday Gifts, *top edge gilt* $2.50
